

7 June 2025

Dear Parent/Guardian

We are holding a sponsored walk on Wednesday 12th June in aid of our whole school charity, Charlene's Project. The money raised will be used to help the sponsorship of 6 girls to allow them to attend secondary education, one girl sponsored by each House. This commits us to a total of £1800 per year while these girls are at school.

The Uganda Dander 2024 route runs from Bangor Town centre to Crawfordsburn via the coastal path, then back, along the coastal path to the McKee clock. The challenge is for each pupil to raise £10 in sponsorship. We are hoping for a great day when pupils are united in doing something which will make a huge difference to girls their age in another country, with many fewer opportunities.

To give consent:

Please give your consent using the Payments section on School Gateway by Monday 10 June. Pupils who are unable to take part and need to be excused must bring a signed letter from home (as in the case of PE lessons), whereby alternative arrangements will be made.

On the day:

Pupils should meet for registration at 1st Bangor Presbyterian Church at 8:50am. Pupils will make their own way home at the finish of the walk (McKee Clock) around 12:30pm. It is very important for your daughter to have some breakfast before attempting the walk.

Dress code:

Pupils must wear their Glenlola PE kit. Plain black/dark leggings are also acceptable but alternative colours are not. They will not be allowed to walk wearing their skorts. If the weather is looking doubtful, pupils can bring one of their own jackets. Extra layers can also be worn under a Glenlola hoodie or smock top. Note that usual uniform rules apply regarding jewellery, make-up, and nail polish. Suitable footwear should be worn.

Educating Girls in Bangor for over 125 Years
