

25 September 2024

**Year 13 Parent Information Evening – Tuesday 1 October, 7-8pm.**

Dear Parent/Guardian

We are delighted with how the new Year 13 pupils have adapted to the demands, opportunities, and privileges of Senior School.

Further to the eGuide available on your daughter's Google Classroom, I wish to invite you to the Parent Information Evening on Tuesday 1 October between 7:00 - 8:00pm. The evening will include a short presentation by Senior School staff about important issues and how we, in partnership with parents, meet the challenges of Senior School life and study. There will also be the opportunity to speak to your daughter's Head of Year and Head of Senior School. It is vitally important that all concerned appreciate the demands of Senior School.

Teachers have, after consultation with your daughter, set individual targets for her in each of her subjects and these grades should now be recorded in her homework diary. Throughout the year progress will again be monitored against these targets using subject tracking assessments and examinations. The mock examinations in late November will help to determine progress and attainment at an important milestone in the academic year.

We look forward to seeing you on Tuesday.

Kind regards

Mrs V Donnan

Head of Senior School
