

Dear Parent / Guardian,

This Friday sees the return of the very successful Year 13 team building event at Lorne estate. The students will take part in a range of activities aimed at giving them the opportunity to get to know each other better. We are delighted that almost all the year group is attending .

To facilitate the range of activities on offer and to ensure that all the students get the opportunity to participate we have made the decision to return to a 3.30 finish on Friday 20th September.

Students will meet at 8.45 in L30 where they will be registered , put into their groups and leave for Lorne promptly by bus. We will be collected from Lorne at 3 pm and would aim to return to Glenlola at 3.30 at the latest.

Information has been shared on google classroom and by form teachers, but I would like to remind the students about wearing appropriate clothing and footwear. They should bring a raincoat , packed lunch ( no nuts) and ensure they have any personal medication ( inhalers) with them.

We look forward to seeing your child at this event .

Kind regards

The Year 13 team
