Flu Clinic Parent Letter

The School Immunisation Team/School Nursing Team will be attending your child's school on **13/11/24** to administer flu vaccines.

If you consent for your child to receive the flu vaccine but they do not receive it on **13/11/24**, your child will be given a second opportunity to receive the vaccine in school on **09/12/24**

Please leave a message at your school reception if your child has had any of the following:

- Active wheezing in the past 72 hours or those who have increased their use of bronchodilators in the previous 72 hours
- Received treatment with influenza antiviral agents
- Has received their flu vaccine elsewhere
- Commenced on steroids

Many thanks,

School Immunisation Team/School Nursing Team
