Year 12 – Information for Parents of pupils who study Learning for Life and Work

Learning for Life and Work (LLW) pupils are completing Controlled Assessment in class until February 2026; the arrangements for this assessment require that it is done under teacher supervision rather than at home. Therefore, in order to ensure that your child does not miss vital assessment, I am writing to stress the importance of full attendance and focus in LLW lessons. The Controlled Assessment is worth 40% of your child's GCSE Learning for Life and Work.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mrs O. Glasgow
(LLW Coordinator)
