School Winter Examinations, 2025, General Information

Dear Parent/Guardian

The winter examinations are approaching. The exam timetables are attached for all Year Groups. Please note the following.

Junior School

A Study Guide will soon be emailed to all pupils and parents. We hope that this will provide your daughter with some helpful revision strategies and an overview of what will be assessed in each subject.

The majority of examinations will be sat by pupils in their form rooms. Some classes have been moved to another classroom, but pupils will be told in advance where they will sit the exams.

Junior school can go home at the end of their last examination session each day.

Canteen will still be available as some Middle and Senior school will be sitting exams in the afternoon.
